

COMBINED BRITISH UNIVERSITIES COURSE IN ADVANCED SURGICAL OTOLOGY 10th-13th May 2010

DAY 1

MONDAY 10TH MAY 2010

09.15	Registration and coffee	
09.50	Introduction	Robert Mills
10.00	Surgery for cholesteatoma	Jonny Harcourt
10.30	Complications of CSOM	Joe Toner
10.45	Mastoid Revision Surgery	Iain Swan
11.00	Discussion: Cholesteatoma surgery	Richard Irving
11.30	Coffee	
12.00	Myringoplasty	Musheer Hussain
12.15	Ossiculoplasty	Alec Blaney
12.30	Discussion: Tympanoplasty	Rory McConn-Walsh
13.00	Lunch	
13.45	Complications of middle ear surgery	Rory McConn Walsh
14.00	Bone anchored hearing aids	Alec Blaney
14.15	Middle ear implants	Robert Mills
14.30	Cochlear implants	Joe Toner
14.45	Brain stem implants	Shak Saeed
15.00	Discussion: Implantation otology	Shak Saeed
15.30	Coffee	
16.00	DVD presentation of Dissection Session (Lateral Approach 1)	
16.30	Dissection Session	
	Cortical mastoidectomy	JH
	Epitympanotomy	JH
	Posterior tympanotomy	JT
18.00	Close	

COMBINED BRITISH UNIVERSITIES COURSE IN ADVANCED SURGICAL OTOTOLOGY 10th-13th May 2010

DAY 2

TUESDAY 11TH MAY 2010

08.00	Coffee	
	DVD presentation of morning dissection (Lateral Approach 1 continued)	
09.00	Dissection	
	Cochleostomy	JT
	Cochlear implant demonstration	JT
10.30	Coffee	
11.00	DVD presentation late morning dissection (Lateral Approach 2)	
11.30	Dissection Session (Lateral Approach 2)	
	Skeletonization of facial nerve	RMW
	Decompression of sigmoid sinus	RMW
	Endolymphatic sac decompression	RMW
13.00	Lunch	
14.00	DVD presentation of early afternoon dissection (Lateral Approach 2 & 3)	
14.30	Dissection	
	Skeletonization of labyrinth	SRS
	PSCC occlusion	SRS
	Osseous labyrinthectomy	SRS
	Translabyrinthine exposure of internal auditory canal	SRS
15.30	Coffee	
16.00	DVD presentation of late afternoon dissection (Superior Approach)	
16.30	Dissection	
18.00	Close	
19.00	Faculty Dinner	

COMBINED BRITISH UNIVERSITIES COURSE IN ADVANCED SURGICAL OTOLOGY 10th-13th May 2010

DAY 3

WEDNESDAY 12TH MAY 2010

08.00	Coffee	
08.30	DVD presentation of early morning dissection (Transcanal Approach 1)	
09.00	Dissection Ossiculoplasty workshop Incus transposition PORP/TORP	RM/IS
10.30	Coffee	
11.00	Presentation: Stapedectomy	Iain Swann
11.30	DVD presentation of late morning/ afternoon dissection (Transcanal Approach 2)	
12.00	Dissection: Stapedotomy	IS
12.45	Course Photograph & Lunch	
14.00	Dissection Meatoplasty Atticotomy & reconstruction of scutum Attico-antrostomy Modified radical mastoidectomy	JH RM RM RM
16.00	Coffee	
16.30	BAHA (Cochlear) Endoscopy of the Posterior Fossa (Storz) Laser practical (Laserscope) Image guidance (Medtronic)	JT/IS/AB SRS/RMW RM/JH RI
18.00	Close	
19.00	Course Dinner:	

COMBINED BRITISH UNIVERSITIES COURSE IN ADVANCED SURGICAL OTOTOLOGY 10th-13th May 2010

DAY 4

THURSDAY 14TH MAY 2009

08.00	Coffee	
08.30	DVD presentation of afternoon dissection (Lateral Approach 3)	
09.00	Dissection (Lateral Approach 3)	
	Translabyrinthine exposure of IAC	SRS
	Skeletonization of intra-labyrinthine facial nerve	RMW
	Transposition of facial nerve	RMW
	Sub-total petrosectomy	RI
	Infratemporal fossa approach (type A)	RI
10.30	Coffee	
11.00	Dissection (continued)	
13.00	Lunch	
14.00	Surgery of the external auditory meatus	Robert Mills
14.30	Management of temporal bone tumours	Shak Saeed
15.00	Management of facial palsy	Richard Irving
15.30	Coffee	
16.00	Management of vertigo	Jonny Harcourt
16.30	Discussion: management of vertigo	Musheer Hussain
17.00	Closing remarks	Robert Mills
	Announcement of winner of best dissection
